

Flat Pack LED Light

The Ata Touch Flat Pack LED light is an ideal solution for lighting larger spaces where higher light levels are required.

Overview

The Ata Touch extra low voltage (24VDC) Flat Pack light provides a wide beam distribution of light through a prismatic diffuser. The low profile makes it ideal in tight spaces giving it clean appealing lines.

The dual LED lighting strips are also fully dimmable using the Ata Touch Device Driver and set dimming feature in software configuration tool. You can dim via touch switch dimming bar, touch screen controller or smart device app.

Surface mounted on to any surface the flat pack will remain timeless on your house.

The lights are ideal for garages, storage rooms, sheds, workshops, offices and above work benches.

Specifications

| | |
|---------------------------------|-----------------------------------|
| Part No. | ATA-L007-000 |
| Permissible Ambient Temperature | -25°C to 70°C |
| IP Rating | IP54 |
| Dimensions | 1205mm (W) x 150mm (H) x 28mm (D) |
| Power Supply | 24VDC |
| Wide Beam Angle | 160° |
| Mounting | Surface |
| Light Temperature | 4,000 Kelvin |
| Wattage | 28 Watts |
| Current Draw | 1.16 amps @ 24VDC |
| Life | 50,000 hours |
| Colour | Powder Coated Aluminium |
| Maximum heat Disipation | 55° |
| Weight | 0.75kg |
