

Tread & Path LED Light

A compact and elegant wall-mounted light that provides an environmentally friendly and energy efficient solution for lighting your stairs and hallways.

Overview

The Ata Touch Tread & Path LED is designed to compliment your decor and provide low-level lighting for a safe passage.

The Tread & Path LED lights are extra low voltage (24VDC), simply recess and are held in place with spring clips onto a wall surface.

They come in two colour finishes (brush stainless steel and powder coated black) and can be mounted vertically or horizontally to suit your tastes.

They are also fully dimmable with Ata Touch device drivers to allow you to set the light level you want.
